An event for the love of gardening

Friends of Adelaide Hills Garden Affair Inc.

Role Description: The Adelaide Hills Garden Affair Inc. (AHGA) is a 'not-for-profit' entity that was formed in 2022 to coordinate a not-to-be missed annual ticketed gardening event held in the beautiful Adelaide Hills. The inaugural event will be held on 5 May 2024 in the gardens of Stangate House, Aldgate. A Committee that comprises a President, Secretary, Treasurer and other members provide the administration and decision-making processes required for the appropriate direction and progress of this initiative. This is an exciting event that will inspire many and as a member you will share in the vibrancy associated with a new Adelaide Hills enterprise.

To ensure its success, AHGA will need a large group of volunteers.

- As a volunteer, involvement in a range of activities is of a discretionary nature.
- Volunteers will have free access to the event on the day.

Friends of the Adelaide Hills Garden Affair will support the work undertaken for the event by:

- ❖ receiving information about progress and milestones achieved by AHGA
- ❖ promoting the upcoming annual event as widely as possible
- ❖ supporting fundraising initiatives
- ❖ assisting in the preparation of the event and its venue
- ❖ contributing where appropriate to the digital media campaign
- ❖ on the event date (where possible) be available to support a variety of activities and tasks
- ❖ acting as an ambassador for the event

It is hoped that by becoming a Friend of AHGA you will experience a sense of contributing to a worthwhile experience, be part of its success and assist in promoting the wonderful world of gardening.
